

# Dipto Barua

STUDENT | BLOGGER | FRONT END WEB DESIGNER

I am currently studying Electronic and Telecommunication Engineering at International Islamic University, Kumira Chittagong. I have completed my Higher Secondary from Hazera Tazu Degree College and Secondary School from Chittagong Government High School. I am a certified Graphic Designer from National Academy of Computer Training and Research (NACTAR) Bangladesh. I am a graduate of Building Bridges Through Leadership Training (BBLT) from Bangladesh Youth Leadership Center (BYLC) and also worked as a volunteer over there. I am also a Regional Influencer for Google Crowdsourcing under Google India and worked on various projects throughout my career.
